ICC App Download Instructions

1. If you have an iPhone, open the App Store. If you have an Android, open the Google Play Store
2. Search "Itasca Country Club" (Gary Jonas Computing)
3. Click on the icon and download/install the app
4. Once installed, open the app and click "Member Registration"
5. Type in your member number that was given to you by the Club, fill out your first and last name, then click, "Validate"
6. After validating, a username will be created for you and it will ask you to create a password
7. Once that is done, confirm your password and click "Create"
8. After you click, "Create", you will be sent a verification email to the address you used when registering for your membership with the Club
9. You are now free to use the app to view your Monthly Statement, ICC Roster, and view/sign-up for Club Events
